From the teachers: Our end of year assembly is coming up. Learn our assembly songs by going onto the Middle Team wiki: http://spsmiddleteam.wikispaces.com Your teacher will give you the lyrics to help you learn the words and work on your singing skills. You may like to give a performance to your class - solo, with a buddy or a group.

Money Problems

Work out the answers for these money problems - you may wish to draw or write out the problems to help you.

Tom gets \$5 a month pocket money. How much will he save in 1 year?

Tyree has saved \$30 and wants to buy presents for her family. There are 5 people in her family. How much will she spend on each person?

Bindi enjoys sorting her money into groups of coins. She has 4 \$2 coins, 8 \$1 coins, 20 50c coins and 13 10c coins. How much money does she have altogether?

Daryl has saved \$25. He buys a set of cards for \$3. He gives $\frac{1}{2}$ of what he has left to his Mum to look after and takes the other half to the shops. How much did he give his Mum?

EXTRA FOR EXPERTS:

Make some word problems for a friend.

ART & CRAFT

November 5th

The streets and houses will soon be popping with the noises of firecrackers, rockets and other fireworks.

Choose 1 of the activities below to do.

Design a FIREWORK safety poster to display in your classroom for Friday.

Make a list of safety tips to help families keep safe using fireworks.

Design your own special firework. Think of a catchy name. Draw what it looks like. Explain what it does. Draw and colour the special effects it makes when it goes off.

Make a model of a firework (not a real one, of course). Check what written instructions come with fireworks and how everyone can keep safe. Add these to your model.

Have fun at the weekend and REMEMBER to keep SAFE.
